agree in writing to the following contract about the purchase and usage of the equipment provided by race result AG.

§1 Object of Agreement

- a) The seller sells to the buyer one or several RACE RESULT Systems, parts of a RACE RESULT System, and / or other equipment for sporting events, according to the current price list displayed online or on a written offer.

§2 Transponders

- a) The buyer agrees to use the equipment as well as systems of the same type only in conjunction with transponders provided by race result AG in their original condition.
